Started out this morning just like any other day

A E G
Then it began to feel like something was about to change

And it grabbed me by the heart

And it gave me quite a start

D E
There's a choice to make and it is up to me and you

A E G
It's bigger than the questions that are plaguing mankind

A E G
And it's better than anything I could ever do with my life

E A
And it's not about me

E F#m
And it's not about you

D E
It's all about the very thing that God wants us to do

Great things are gonna happen here
